REPORT

OF

RECEIPTS AND DISBURSEMENTS,

FROM

FEBRUARY 1st, TO AUGUST 18TH, 1815,

ON ACCOUNT OF

THE MISSIONS

FIRST COMMENCED BY

THE REV. JOHN WESLEY, THE REV. DR. COKE,
AND OTHERS;

AND

NOW CARRIED ON UNDER THE DIRECTION OF THE

Methodist Conference.

LONDON:

PRINTED AT THE CONFERENCE OFFICE, 14, CITY ROAD,

By Thomas Cordeux, Agent.

1816.

ADVERTISEMENT.

THE Friends and Supporters of the Methodist Missions, to whom the following Accounts are respectfully presented, will naturally expect that some reason should be assigned for the appearance of the Statement of Receipts and Disbursements, for so limited a period only as the term of between six and seven months, and for the absence of the usual Preliminary Report of the circumstances and prospects of the several Missionary Establishments, which are under the spiritual care of the Methodist Conference.

In order to satisfy this reasonable expectation, the Committee have to state, that at the last Conference, held in Manchester, in August, 1815, it was deemed expedient and necessary, in consequence of the lamented death of the Rev. Dr. COKE, the late General Superintendant of the Missions, to adopt some new regulations for the management of these important undertakings. To facilitate some of the arrangements then made, it was found adviseable that the Accounts of the General Treasurers should, in future, be closed on the 24th day of June in each year; and that, when investigated and audited by the Committee of Examination and Finance, annually appointed for that purpose, they should be regularly published, together with the General Report, as soon as conveniently may be after each Yearly Meeting of the Conference.

In conformity to this resolution, the Report for 1816, instead of being published in May, is postponed till the month of August or September, at which period it may confidently be expected. In the mean time, the Committee have great pleasure in stating generally, that their Foreign Missions continue to be favoured in every quarter of the world with most encouraging tokens of Divine approbation; that the CEYLON Mission, in particular, has already been successful beyond their most sanguine hopes; and that from almost every part of the globe they are receiving new applications for spiritual help, from persons whose moral necessities powerfully enforce their claims.

on our christian compassion, and demand from us the appointed means of grace and salvation. To these applications a ready attention is paid; as will sufficiently appear from the fact, that since the last Conference, not less than *Eighteen* Missionaries have been sent to various Foreign Stations; and *three* others are expected to sail in a few weeks.

The following is the list of the Methodist Missionaries, and of their present Stations.

I. EUROPE.

- 1 *Gibraltar*, BENJAMIN WOOD.
- 2 *Brussels*, RICHARD ROBARTS.
- 3 *France*, One Missionary is now employed among our small Societies in that Country.

II. ASIA.

I ISLAND OF CEYLON :

- (1) *Columbo*, W. M. HARVARD, and B. CLOUGH, assisted by the Rev. Mr. ARMOUR, who preaches in Cingalese and Portuguese; and by two Native Preachers.

N. B. At this station also resides PETRUS PANDITI SEKARRAS, formerly an eminent *Budhist Priest*, who has lately been converted to Christianity, chiefly by the instrumentality of Mr. CLOUGH. He has begun to preach to his countrymen; and is also employed in translating the Scriptures into several languages, for the Columbo Bible Society.

- (2) *Jaffnapatam*, JAMES LYNCH.
 - (3) *Point-de-Galle*, T. SQUANCE, G. ERSKINE.
 - (4) *Batticaloe*, This Station is at present vacant, in consequence of the much-regretted death of Mr. AULT: but it will be filled up on the arrival of the additional Missionaries, who sailed for the East in December last; viz. Messrs. SHAW, CARVER, JACKSON, BROADBENT, and CALLOWAY. Mr. M'KENNEY, now at the Cape, is also destined for *Ceylon*.
- 2 *Madras*, Mr. HARVARD is appointed for this Station, and will probably repair to it, as soon as the six last-mentioned Missionaries arrive at *Ceylon*. It is likely that he will be accompanied to the

Eastern Coast of Continental India by the
Rev. CHRISTIAN DAVID, a Native Preacher,
now in the vicinity of Jaffnapatam.

With respect to the *Accounts* now published, the Committee have to state, that they are printed at this time, and in this way, because it seemed most regular, that the present GENERAL TREASURERS (viz. THOMAS THOMPSON, Esq. M P. of Hull, and the REV. JAMES WOOD, of the City-Road, London) should open their Account at the time when the new Arrangement before mentioned began to be carried into effect. It followed of course, that the Receipts and Disbursements, since the appearance of the last printed Report, and up to the commencement of the new system, should be separately laid before the Subscribers, which duty the Committee now discharge.

To the numerous Subscribers, whose Contributions are included in the following Lists, the Committee return their warmest acknowledgements, and hope that, in addition to the blessings of many who were ready to perish, but by means of their liberality, are recovered to knowledge, and holiness, and happiness; the blessing of God also will be their portion and their reward.

It appears, that of the Sum Total of Receipts, included in this Statement, not less than 4812*l.* 1*s.* 4*d.* were contributed through the medium of Methodist Auxiliary Missionary Societies; besides the influence they have had on other circuits, where these Societies have not been formed, in the increase of their Subscriptions, and the amount of their public Collections. It is a debt of justice and gratitude the Missionary Cause owes to

the above *Societies*, to acknowledge, that, it is principally owing to their generous zeal and liberal efforts, that the finances are in so favourable a state ; and that several valuable young men have been induced to offer their services as foreign Missionaries. It is, indeed, impossible fully to appreciate their pecuniary or spiritual utility and importance.

It may be necessary to remind the Subscribers and the Public, that although on the 18th of Aug. 1815, when the old account was closed, the Treasurer had in hand a Balance of 214*l.* 5*s.* 1*½d.* yet that in consequence of the Outfit of new Missionaries, &c. the large current expences, which have been subsequently discharged, the present Treasurers have now only a Balance of 1314*l.* 5*s.* 3*d.* And besides heavy Bills which will soon become due for the expenditure of various stations, they owe to the Executors of the late Dr. Coke the sum of 229*l.* 4*s.* 11*d.* being the Balance of what was due to him for the Outfit of the first Mission to CEYLON in 1813. Suppose this were paid, there would be near ONE THOUSAND POUNDS due to the Treasurers. This statement will prove that the utmost exertions of piety and benevolence are yet needed for the maintenance, and much more for the extension of this great work.

The various Auxiliary Missionary Societies will be pleased to recollect that the General Treasurers will make up their Account, as before stated, on the 24th of June ; and that no monies remitted after that day can appear in the *next Report.*

THOMAS WOOD, } GENERAL SECRETARIES.
